Who We Are

Farrukh Javed & Brothers is a trusted customs clearing and forwarding company with over 20 years of experience in handling import and export shipments across Pakistan.

We support businesses by managing the complete logistics process — from document handling to final delivery. Our goal is to make shipping simple, reliable, and stress-free for our clients.

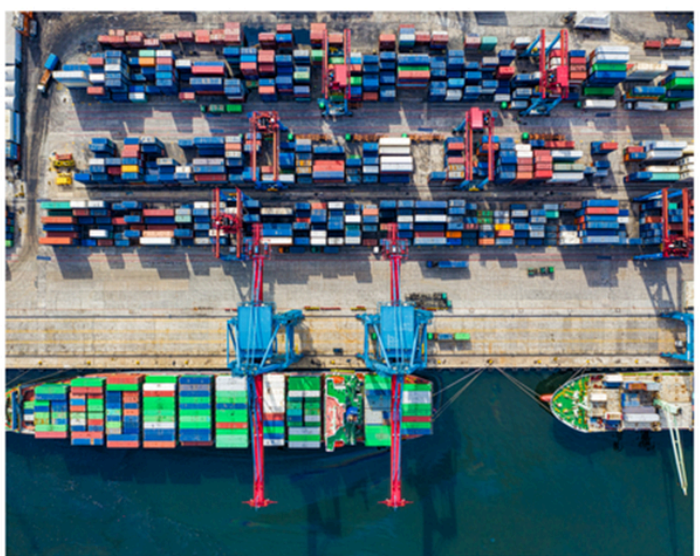

We are a registered and approved company affiliated with the Karachi Chamber of Commerce & Industry, with a strong reputation for professionalism, timely service, and problem-solving.

What We Do

We provide complete logistics and customs solutions under one roof:

- **Import & Export Customs Clearance**
- **Freight Forwarding (Sea, Air & Land)**
- **Warehousing & Storage**
- **Shipment Documentation**
- **Cargo Tracking & Reporting**
- **Delivery Coordination**

No matter the size or type of shipment, we ensure smooth handling at every stage.

Our Working Process

(Step-by-Step)

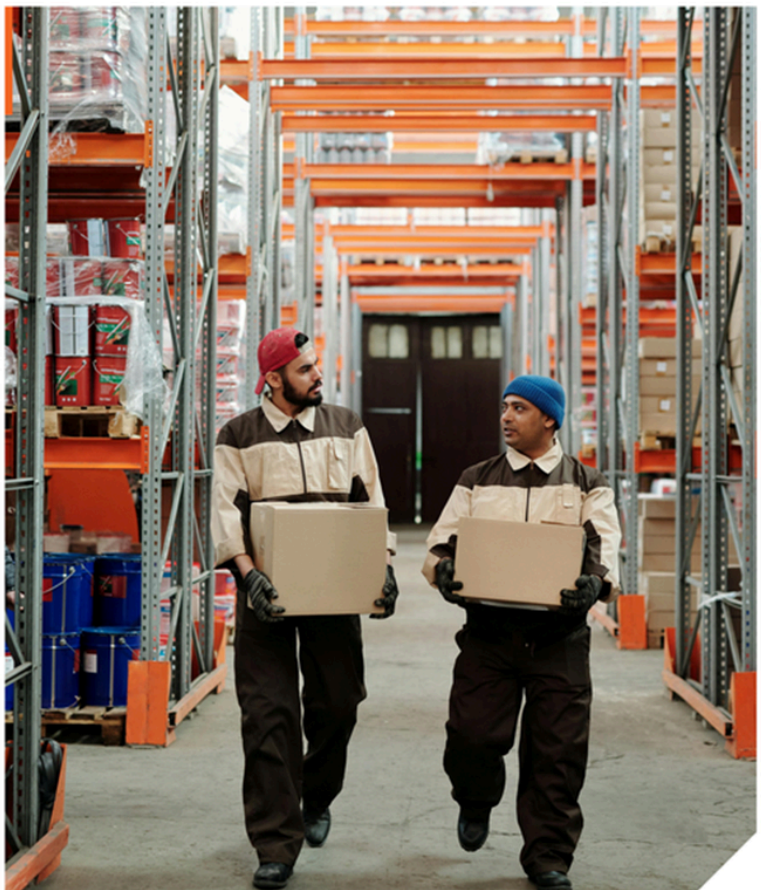

We follow a clear and structured process to ensure your cargo moves without delays:

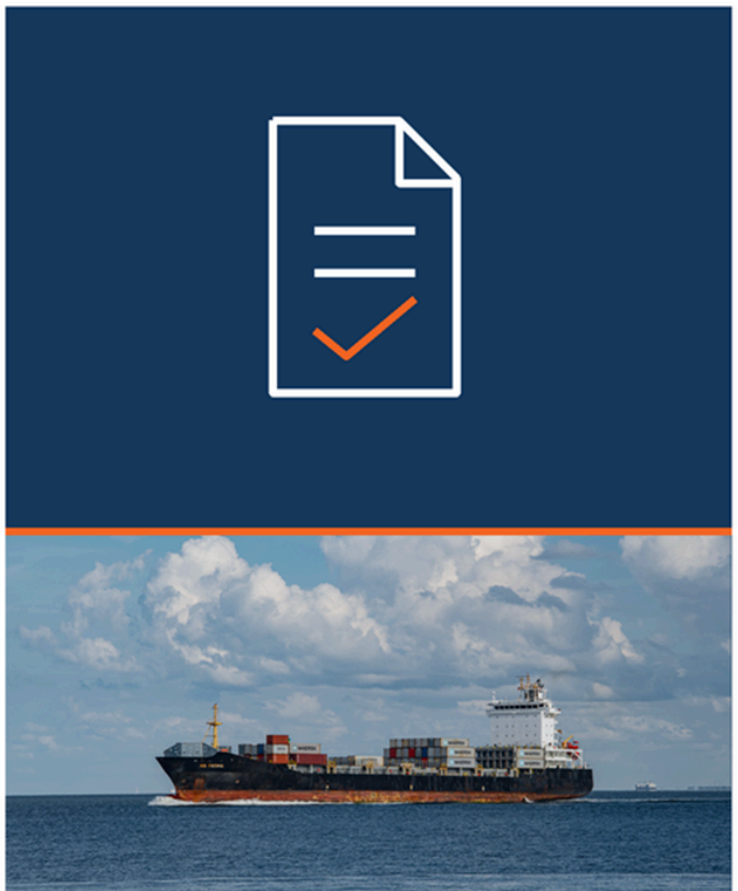

1. Initial Consultation

We start by understanding your shipment:

- Type of goods
- Origin and destination
- Required documents
- Delivery timeline

This helps us plan the most efficient process.

Documentation Handling

Proper documentation is the most important part of customs clearance. We assist with:

- Invoice & Packing List
- Bill of Lading / Airway Bill
- Import/Export Permits (if required)
- Duty & Tax calculations

> Our team carefully checks everything to avoid errors and delays.

Customs Clearance

We handle the complete clearance process:

- Submission of documents to customs
- Duty and tax processing
- Coordination with customs officials
- Inspection handling (if required)

Thanks to our experience and strong coordination, we ensure fast and smooth clearance.

Freight & Logistics Management

We manage the movement of your cargo:

- Port handling
- Freight coordination (shipping lines, airlines, transporters)
- Route planning for timely delivery

Customs Clearing And Forwarding Expert

Warehousing

(If Needed)

If your shipment requires storage, we arrange:

- Safe and secure warehousing
- Short-term and long-term storage options
- Proper handling of goods

Delivery & Final Handover

Once clearance is complete:

We arrange transportation to your location

Ensure safe and timely delivery

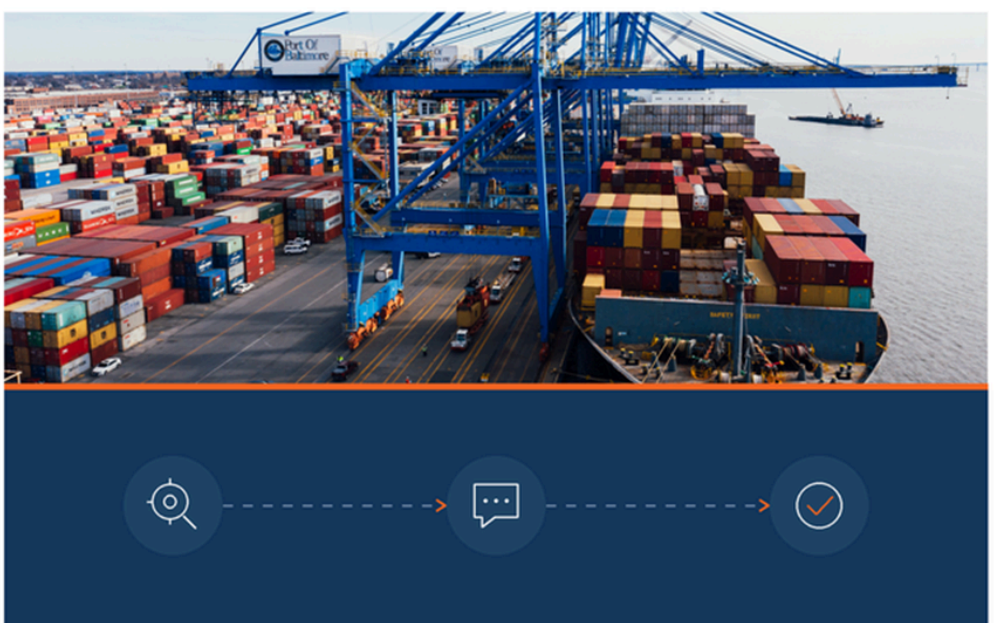

Provide final updates and documentation

Tracking & Updates

Throughout the process, we keep you informed:

- Regular status updates
- Quick response to queries
- Full transparency at every stage
